Air Force Work Boosts Deloitte's Downtown Workforce

A multi-year modernization contract with the US Air Force is boosting employment at the downtown Dayton offices of [Deloitte Consulting LLP](#).

Deloitte is providing data management support for the Air Force's Expeditionary Combat Support System, a centralized logistics system covering transportation, supply, maintenance, engineering and acquisition. Deloitte was awarded the project in August of 2010.

Approximately 35 employees have recently been added by Deloitte and its subcontractors at the company's East Monument Street offices to support the Air Force contract.

Deloitte consolidated its Dayton-area operations into the downtown facility in early 2010. Its offices are located within the [Ohio Aerospace Hub of Innovation and Opportunity](#).
